About KAMP

KAMP brings an array of activities and opportunities for the students to Learn, Play, Explore and Evolve. It includes the National Assessment of Scientific Temperament & Aptitude (NASTA), interactive knowledge sessions for students and teachers, awards, scholarships and many more exciting prizes and recognition.

It is an initiative & knowledge alliance of CSIR - National Institute of Science Communication and Policy Research (CSIR-NISCPR), Ministry of Science and Technology with M/S, NCPL.

Why Register?

- Understand your child's skills and challenges
- Access deep conceptual understanding rather than rote learning
- Nurturing the young minds with the help of interactive workshops
